WRIGHT TOOLS

In a busy manufacturing environment you need to access your tools easily. With over 20 years of industrial vending experience Groves Industrial & APS Services are designed to help grow your business and be a more sustainable company without disrupting current production. We help improve your business through inventory management, vending solutions, e-commerce solutions and more! Visit us online at <https://www.grovesindustrial.com/services/supply-chain-solutions> today!

Inventory Management

- Provide a streamlined process for controlling the flow and maintenance of inventory.
- Reliable data intelligence.
- Automated Ordering and Reporting.
- Reduce Stock outs and more.

Industrial Vending

- Customized vending devices.
- Dispense boxes, PPE packages and more!
- Automated Inventory Tracking system capabilities for cutting tools, fasteners, shop supplies and PPE.
- Increased Productivity and Cost Reduction.

Process and Operation Improvement

- Manage what products employees access.
- Dispense correct package quantity eliminating waste.
- Improving process integrity, by insuring the correct tool for the job.
- Set product consumption limits by employee, shift or job.

E-Commerce Solution

- Simplify your purchasing life with the Groves PunchOut catalog.
- Custom Web Shop solution features custom catalogs and on-line web stores based on your frequently used items.

Groves Industrial Supply Chain Solutions

- Provide expertise on a wide variety of application issues.
- Process and Programming Improvements.
- Full Tool Selection.
- Provide Turn-key solutions that are guaranteed to work!
